Think Tank

Leadership Thinktank is a helping hand for Senior Executives that is effective, time positive and outstanding value for money

ABOUT YOU

You're time poor. You're always busy. And you need to ensure you allocate your valuable time in the most effective way.

Membership of a Senior Executive Leadership Thinktank group will allow you to focus on the crucial elements of your professional development to ensure maximum effectiveness of your time.

We believe that getting an unfair advantage no longer has to be exclusive, but should be inclusive for senior executives that want to be involved.

YOUR THINKTANK

The Leadership Thinktank was created to help you navigate your way through crucial issues by delivering 3 distinctive tools for your professional and personal development.

- Peer advisory groups
- Executive coaching
- Industry leading expert speakers

ABOUT US

We have combined our experience and insights in working with business leaders and have now distilled the most valuable parts of CEO and Senior Executive mentoring programs into a highly accessible and compelling package.

With a monthly investment of \$475.00 plus GST and no lock-in term on your membership, the Leadership Thinktank is the new business model for today's busy leaders.

If you would like to find out more, we would love to hear from you.
